

Graphing an Exponential Function

1. Using [this location in the Desmos® Graphing Calculator](#), change the values of a , b , and k to see how it changes the exponential function.
2. Using the same location in Desmos®, check your answers to the tables you created in Lesson 30 Part A Practice 1 and Practice 2.

Mastery Check

1. Using [this location in the Desmos® Graphing Calculator](#), complete the Lesson 30 Part A Mastery Check with technology.
